## LED Temporary Work Lamp

[www.maxximastyle.com](http://www.maxximastyle.com)

### BASIC INFO

P/N	Power	Voltage	Lumen	Suitable for Damp Location
MPWL-60L	60W	AC 120V	7200 Lm	
MPWL-100L	100W	AC 120V	12000 Lm	
MPWL-150L	150W	AC 120V	18000 Lm	

#### Application:

Suitable for construction sites or any other damp location requiring a temporary work lamp. Not for use in wet locations where directly exposed to rain.

### CAUTION

- Before installation and maintenance of the work lamp, please disconnect the power to prevent electric shock.
- The LED temporary work lamp must be installed in an appropriate environment since operating in harsh environments may shorten the lifespan or even damage the device.
- Please keep the device away from corrosive substances. Clean with dry cloth only.
- To ensure personal safety, please make sure the work lamp is firmly secured when installed on high places.

### 3 YEAR WARRANTY

Maxxima extends a 3 year limited warranty to the original purchase that the products listed are free from defects in material and/or workmanship only. Maxxima will replace any warrantied product to the original consumer/purchaser if the product fails because of defects due to workmanship and/or materials within the limited warranty period. Limited warranty is not transferable and applies to the original installation of the Maxxima product. This offer does not constitute in any way a product guarantee and Maxxima does not hereby assume any obligation whatsoever beyond sending a free replacement product.

### INSTALLATION INSTRUCTIONS

**Warning:** Please check and make sure there is no sign of physical damage to the product when unpacking. Do not use damaged product.

#### Step 1

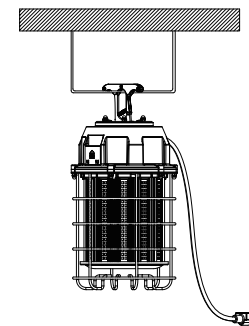

Adjust the Carabiner O Hook and install it on a location in accordance with the local electric code for temporary lighting.

#### Step 2

Ensure that the installation location is strong enough to bear a minimum weight of 66 lbs.

#### Step 3

Plug the power cord to a power outlet and ensure that the light is operating as expected.
